FIRE INSURANCE NOTICES, &c.

SOUTHERN PROTECTION INSURANCE COMPANY,

ALEXANDRIA, VIRGINIA.

CAPITAL OVER 350,000 DOLLARS, AND CONSTANTLY INCREASING.

The Charter of this Company offers more favorable advantages to the farmer and others, than any Company chartered in the State, by insuring with or without a premium note. If the applicant prefer, he can pay the full amount of the premium in cash, or by effecting a cash insurance for two years, the insured saves one-eighth of the amount he would otherwise have to pay; or by becoming a member, and giving a small premium note, the insured saves nearly one-half of the amount charged by Stock Companies, when insuring from year to year. This is the advantage resulting from the combination of the

CASH AND MUTUAL PRINCIPLE.

This Company commenced issuing Policies against loss or damage by fire, on the 13th day of March, 1854, since which time over seven thousand seven hundred persons have insured and become members of the Company, and over seventy thousand dollars have been paid for losses. Having increased our business during the past year, we feel grateful for the liberal patronage bestowed upon the Company thus far, and for its flattering prospects of future usefulness. The Directors hope and believe, that, by prudence, caution, and a rigid system of economy, they will establish for this Company a reputation for cheapness and safety not surpassed by any Company in the U. States.

All differences in settlement of losses, may be determined by three disinterested arbitrators of the County where such loss happened, to be mutually chosen by the insured and the Company.

MORE RIOTING IN NEWFOUNDLAND—THE TROOPS FIRE UPON THE MOB, KILLING TWO AND WOUNDING FOUR.—By our papers from St. John's N. F., we learn that more riotous demonstrations had taken place. On Monday last, May 13, on the occasion of the meeting of the Legislature at St. John's advantage was taken by the crowd of the absence of the troops at the Colonial building, to perpetrate the most wanton outrages on the premises of respectable citizens, whose only fault would appear to be their relationship to the candidates who opposed the so-called liberal nominees in the Harbor Main district—the scene of the late encounter, resulting in the death of two and the wounding of a dozen persons.

The arrival of a detachment of troops on the ground put a stop to the sacking premises which had previously engaged the attention of the mob, thought it did not cause its dispersion. On the contrary, towards dark the mob increased to such an extent that it was feared further riotous demonstrations would be made, under cover of the darkness, the excitement increasing with the numbers. Efforts were made to induce them to disperse, without avail, when the riot act was read, and the demand again made to disperse, by the commander of the troops, Colonel Grant, with similar success. Col. Grant made another attempt to induce the mob to retire, informing them that it was the last time he would do so, and if the call was not obeyed he should feel it his duty to order the soldiers to fire. The usual time being allowed to elapse, the order to fire was given, when two men fell dead, and four persons were wounded, one of whom was a Roman Catholic priest, Rev. Mr. O'Donnell, who received a wound in the ankle. One of the others wounded it was thought could not recover. This led to the dispersion of the mob.

A DENERATE ATTEMPT AT ASSASSINATION.—A few nights ago there occurred on the farm of Dr. Samuel Lynch, of Magothry river, Anna Arundel County, Md., an unprovoked and dastardly attempt to assassinate Mr. Zach Biggs, the overseer of Dr. L. It appears that Mr. B. was out in the neighborhood visiting, and returning to his home between ten and eleven o'clock, was shot at by a suspected negro, named Ned Pullen, who was secreted in a fence corner, the ball and shot taking effect in Mr. B's right side, literally covering him with wounds, which must, in the opinion of the physicians attending him, prove fatal. Mr. Biggs now lies in the most critical situation. No cause has yet developed itself for this attempt to assassinate a harmless and much respected citizen. The suspected party, Ned Pullen, (slave) and his wife Nancy, (free,) have been arrested and committed to the Annapolis jail, to answer at court.

THE GEORGE LAW MUSKETS.—A gentleman who arrived here to-day from Virginia, says it was currently reported there that the G. Law muskets which have made the circuit of almost the entire globe for a purchase— which were shipped in the barque Grape Shot, and sent to Vera Cruz several years ago, in the hope of their being disposed of to the Mexican government, and which were afterwards boxed off to Italy, to be sold to Garibaldi's army—were finally brought back to Montgomery about two months since, and made such a favorable impression upon Jefferson Davis that he at once purchased them to the number of 8,000, at \$13 a piece. These muskets originally cost George Ltw \$1.50 each, and for alteration \$1.75 additional. When they were distributed and fired, it is said that nine out of twelve of them instantly burst.

A commission was accordingly appointed by the Southern Confederacy to examine them; the result of whose labors proved (or rather confirmed what was abundantly proved) that they would be more dangerous to the person discharging them than to those at whom they might be discharged.—Phil. Press.

La Epoca, of Madrid, of a late date, announces the receipt by the government of despatches of the most friendly character from President Juarez, of Mexico. La Correspondencia, of the same city, says the Spanish government will not accept the incorporation of St. Domingo till after a general solemn and deliberate vote shall have been taken among the people of the republic. It declares that no sovereign Power or State had protested against the proposed annexation.

The New York Herald's Washington correspondent says: "A special bearer of despatches arrived this morning from Lord John Russell, with important instructions for the British Minister here. It is understood that these advices from the British Foreign Office have a direct and important bearing upon the delicate questions now growing up with reference to the Confederate States and their letters of marque."

The Southern Army.

The Philadelphia Bulletin has the following from a gentlemen recently from the South:—

The authorities at Montgomery estimate that with their present organization they are able to put one hundred and seventy-five thousand men into the field, fully equipped and armed, and with ammunition for one year. Our informant states that he has every reason to believe that they do not exaggerate their strength. His opportunities have been such as to enable him to become thoroughly "posted" on this point, and being at heart a strong Union man, his statements may be relied upon. He states that there are still many friends of the Union even in the cotton states.

A young lieutenant, who graduated at West Point last year, and who went with Captain Meigs from Fort Taylor to Fort Pickens, informs his mother in Brooklyn, New York, that he had been offered a captaincy in the Southern Army, but declined the honor. He states that Fort Pickens is well supplied with men, provisions, and ammunition for a six months' siege.

The frigate St. George, arrived at Halifax last evening, having on board Prince Alfred.

A VERY FINE FARM IN CULPEPER COUNTY, FOR SALE.—I offer for sale the Farm on which I reside, "Cole's Hill," one of the most valuable estates in the County. This farm contains about SEVEN HUNDRED AND FIFTY ACRES, of which about five hundred are arable, and the balance heavily timbered. It lies beautifully on Mountain Run, which passes through it, within two and one half to three miles of Brandy Station, on the Orange and Alexandria Railroad, from which point the cities of Washington, Alexandria, and Richmond, can be reached in about three hours. It is well watered, every field having never-failing Springs. The soil is of the best quality, producing fine crops of wheat and corn, and luxuriant crops of grass. The location is beautiful and proverbial for health. Two Manufacturing, and two Grist Mills are within a few miles. Churches of the various denominations are of easy access.

The BUILDINGS are all new, and of the best kind. In fact, it combines all the advantages of a first class Farm; in its fertility of soil, abundance of fine water, healthfulness, proximity to Railroad, and new and commodious buildings. All persons wishing to purchase such an estate, are respectfully invited to examine "Cole's Hill" in person. Those who may wish to come by Railroad to Brandy, will be furnished with a conveyance to my residence by giving me a day's notice. For Terms, &c., apply either to me or to P. P. Nalle, at Raccoon Ford Post Office. My Post Office is Brandy Station Culpeper County.

N. B. "Cole's Hill" can be readily divided into two compact Farms, of about three hundred and fifty and four hundred acres, each having an abundance of timber and water.

"BLOOMSBURY" FOR SALE.—The undersigned offers for sale the TRACT OF LAND called "Bloomsbury," lying in Culpeper County, about three miles from Brandy Station, containing SEVEN HUNDRED ACRES. It adjoins the farm lately sold by Wm. B. Ross to Messrs. Wise & Kennedy, and the lands of C. C. Beckham, Dr. J. C. Thom and Wm. J. Fife.

This farm is situated in a neighborhood remarkably adapted to the growth of wheat and grass. The BUILDINGS are rather old, but with moderate repairs will be sufficient for the comfortable accommodation of a family. Persons desirous of purchasing are invited to examine the place for themselves. We will merely remark that it has always been considered one of the best farms in this neighborhood, especially for wheat.

Terms will be made accommodating. For further information apply to John Slaughter, near Waylandburg, Culpeper County, or to J. C. & J. W. Green, at Culpeper Court House.
